

**GET YOUR
GEAR
WHERE IT'S
GOING.
SAFELY AND
SECURELY.**

Traveling to location is a way of life for expensive tripods, fluid heads, and other expensive broadcast equipment. If it gets broken or damaged enroute, your investment—and your schedule—is out the window.

Tuffpak cases—proven around the globe for over 25 years—will insure that your equipment in the same condition in which they left, whether traveling across town or around the world.

They offer the ultimate in flexibility, with over 20 sizes and configurations.

And, they do it without advertising what's inside.

You have enough things to worry about. Getting your gear where it's going doesn't have to be one of them.

TUFFPAK®

**GUARANTEED
FOR LIFE.**

This is as simple as it gets: If anything breaks or becomes unusable on your Tuffpak case for as long as you own it, we will repair or replace it free of charge. All you pay is shipping.

You can buy dozens of lesser cases, and hope they protect your equipment.

Or, you can buy one Tuffpak. And make certain.

The Tuffpak's open interior allows you to pack plenty of other gear, too

Keyed lock, either standard or TSA-approved

Unbreakable high-tech shell impervious to moisture and chemicals

Tuff webbed strap with quick-release buckle for positive, secure closure

No interior dividers to waste space

Two inches of heavy duty foam, top and bottom, absorbs shocks

Pack with peace of mind.

There is no case on the market that provides better protection against shock, vibration and damage. There are no exposed feet, flimsy handles, exposed locks or other appendages that can be damaged or ripped off. Tuffpak cases are even impervious to baggage handlers.

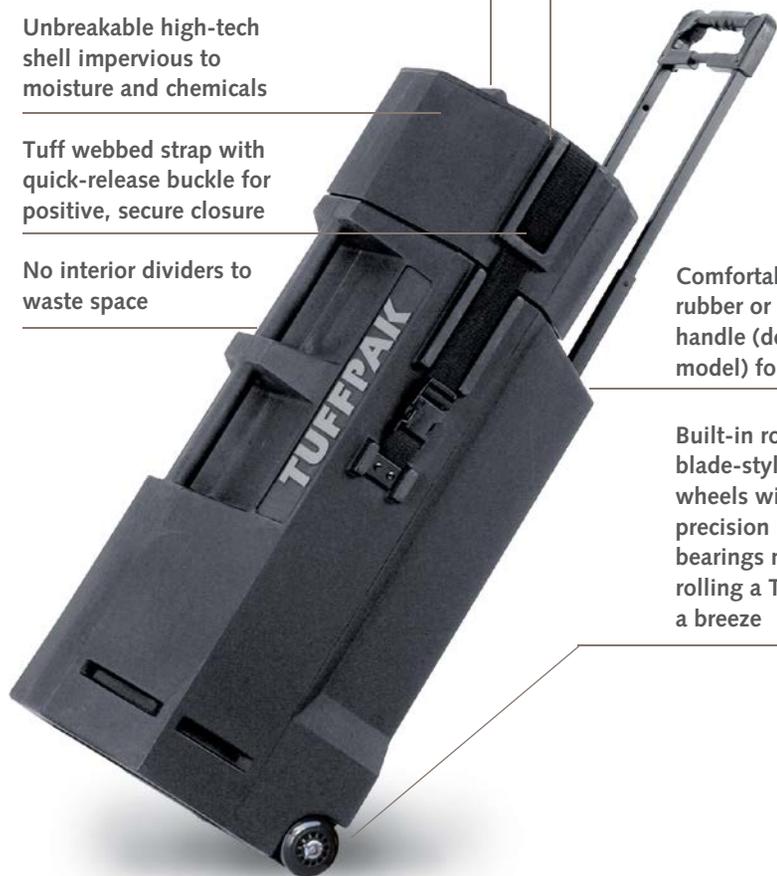

Comfortable built-in rubber or telescoping handle (depending upon model) for perfect balance

Built-in roller blade-style wheels with precision ball bearings make rolling a Tuffpak a breeze

TUFFPAK®

BROADCAST

Over 20 different sizes and configurations to protect tripods, heads, stands, and just about anything you can fit inside.

See our online Tripod Cross-Reference page listing all popular tripods and the Tuffpak that fits them.
